Dear Party Planner,

Homestead Gardens has been available for affordable family gatherings in a garden setting since 2015. The heart-shaped lawn is centered among stately trees, hydrangeas and rhododendrons. Dates are still available, whereas most wineries and vineyards are completely booked.

Homestead Gardens is on the grounds of a 1915 working homestead, and is the home-base for the nonprofit Artful Arrangements, whose purpose is to find ways for parents (or grand-parents) and children to play together that are affordable and fun – because that is the way children practice in public what has been taught at home about good manners, social skills, and respect for elders.

Families have been pleased by the ease, convenience and affordability of having their parties here in our beautiful gardens, as well as having supported our nonprofit mission. Many have returned for events on the homestead, bringing their children and extended families with them.

Artful Arrangements is a volunteer 501(c)(3) nonprofit charitable organization. Donations are deductible. CA TAX ID# 81-1096263
Our Mission is to develop ways for parents and children to spend a little quality time together – for much need joy and connection – that are affordable, convenient, fast and fun, because, typically, young families are short on both time and resources. We address the **Second Five**, (ages 5 to 10), when **parents model behavior of good manners, social skills, respect for elders – qualities/skills** that will serve each child well.
